Request Message: Dear Sir or Madam:

Vix Technology (USA) Inc hereafter referred to as "Vix" is requesting electronic copies of the following records related to the Sound Transit RFP RTA/RP 0119-17 - Systems Integrator for next-generation ORCA:

- Copies of all original, revised, and final proposals and proposal addenda received in response to RTA/RP 0119-17 (except Vix).
- Copies of all original, revised and final pricing forms received in response to RTA/RP 0119-17 (except Vix).
- Copies of all original, revised, and final Weaknesses/Deficiencies and Clarifications prepared by the Sound Transit Evaluation Team related to RTA/RP 0119-17 (except Vix).
- Copies of all original, revised and final Sound Transit Evaluation Team individual evaluator, consensus rankings, and adjective rating sheets for RTA/RP 0119-17 (except Vix).
- Copies of all Sound Transit Evaluation Team and internal staff memos and recommendations for award for RTA/RP 0119-17.
- Copies of Sound Transit Evaluation Team individual evaluator notes from selection panel ranking meetings, Vix-Sound Transit proposer discussion meetings, and the Vix-Sound Transit site visit/product demonstration in Dallas.
- Copies of all Sound Transit Notices of Intent to Award Pending Successful Completion of Negotiations sent to each of the System Integrator Proposers for RTA/RP 0119-17 (except Vix).

- Copies of any memos, notes, or communications regarding any known or perceived conflicts of interest between any member of the Sound Transit Evaluation Team (including all consulting firms engaged by Sound Transit) and any employee, consultant, or subcontractor of Innovations in Transportation, Inc. (INIT).

- Copies of any files related to any multidimensional contract analysis tool described by the next generation ORCA Project Manager in the Sound Transit Operations & Administration Committee meeting on September 6, 2018: "used to determine the fairness or reasonableness of price, including any evaluation of proposed pricing from all shortlisted firms, including Vix Technology (USA) Inc and Innovations in Transportation, Inc. (INIT), comparing the proposed price to the cost of the existing ORCA system, comparable peer agencies modern fare collection systems, and any analysis of the detailed cost assumptions provided by any shortlisted firm."

We are willing to accept your response in packages and request the release of any responsive documents that are readily available as soon as possible followed by any that will take additional time in subsequent package(s).

Where possible, please provide all records in electronic format. In responsive documents are only available in physical format, please contact me with an estimate of copying charges.

Thank you,  
Mike Meints
